Preparing Your Child for a Happy School Journey

A Parent's Guide to Building Positive Routines and Learning Habits

Children thrive when home and school work together. A consistent daily routine, positive encouragement, and meaningful family interactions help children develop confidence, independence, and a love for learning.

1. Build a Healthy Daily Routine

Ensure your child gets 10–12 hours of sleep each night.

Wake up early to avoid rushing in the morning.

Serve a healthy breakfast before school.

Reach school on time every day.

2. Encourage Learning Through Play

Read together for 10–15 minutes daily.

Talk about your child's day and encourage conversation.

Practise counting, letter sounds, colours, and shapes through everyday activities.

Choose puzzles, building blocks, drawing, and pretend play to develop thinking skills.

3. Develop Independence

Encourage your child to pack their school bag with your guidance.

Teach them to wear shoes, organise their belongings, and tidy up after play.

Allow them to complete simple tasks independently and appreciate their efforts.

4. Build Good Social and Emotional Skills

- Teach polite words such as "Please," "Thank you," and "Sorry."
- Encourage sharing, waiting for a turn, and expressing feelings with words.
- Praise effort, perseverance, and kindness rather than only the final result.

5. Create Healthy Digital Habits

- Limit recreational screen time.
- Spend more time reading, playing outdoors, creating art, singing, and exploring nature.

6. Partner with the School

- Maintain regular communication with your child's teacher.
- Attend school meetings and events.
- Celebrate every small achievement and encourage your child to enjoy the learning process.

Together We Make Learning Meaningful

Every child learns at their own pace. With love, patience, encouragement, and a strong partnership between home and school, we can help every child become a confident, curious, and joyful learner.

THANK YOU FOR YOUR CONTINUED SUPPORT AND PARTNERSHIP. | WARM REGARDS, | SCHOOL / L&D TEAM
