What You Should Know About Preparing Your Child for a Happy School Journey

Monthly Focus:
NURSERY
Group 3 to 4 years

A happy beginning builds confident learners. Here are some simple ways you can help your little one enjoy school and thrive every day.

1 ESTABLISH A ROUTINE

Consistent sleep, meal and play times help children feel secure and ready for school.

2 ENCOURAGE INDEPENDENCE

Let your child try small tasks on their own – like eating, dressing and putting things away.

Small steps build big confidence!

3 TALK POSITIVELY ABOUT SCHOOL

Share happy stories about school and teachers to build excitement and trust.

4 READ, TALK & SING TOGETHER

Daily reading, talking and singing support language development and strengthen your bond.

5 PRACTICE GOOD HABITS

Encourage handwashing, toileting, using kind words and listening to others.

6 PACK WITH CARE

Send a comfortable bag with extra clothes, a water bottle and any essentials your child may need.

7 GOODBYES CAN BE TOUGH – AND THAT'S OK!

Keep goodbyes short, calm and reassuring. Your child will feel safe knowing you will return.

8 STAY CONNECTED

Read school notes, respond to messages and communicate with teachers. Together, we can support your child better.

9 CELEBRATE LITTLE SUCCESSES

Praise efforts, not just results. Every small step forward is a big achievement!

Every child is unique and learns in their own way.
With your love, encouragement and our support, we can make school a joyful and meaningful experience!

Thank you for your continued support and partnership.
Warm regards, School/L&D Team.
