Guide Children to Build Healthy Friendships and Make Responsible Choices

Strong friendships and good choices help your child grow with confidence, kindness and self-respect.

1 Look for Positive Friends

Encourage your child to spend time with friends who are kind, honest, supportive and bring out the best in them.

2 Communicate Openly

Teach your child to express their thoughts and feelings respectfully, and to listen when others share theirs.

Be kind. Be honest. Be heard.

3 Help Them Handle Peer Pressure

Guide your child to say "no" with confidence, choose what feels right, and understand that true friends respect their decisions.

NO is a complete sentence!

- Be kind
- Be safe
- Be you

4 Teach Digital Responsibility

Help your child make safe and respectful choices online and in social media. Remind them that what they post, share or say can have a real impact.

- ☑ Think
- ☑ Check
- ☑ Be kind
- ☑ Post wisely

5 Encourage Problem-Solving

When conflicts arise, help your child pause, think, and choose a calm and respectful way to handle the situation.

Better choices build stronger relationships.

6 Be a Role Model

Children learn by watching. Show them how you build healthy relationships, handle challenges, and make responsible choices in your daily life.

Your example matters.

Healthy friendships. Responsible choices. Stronger, happier futures.
